

Pacific Senior Secondary Certificate (PSSC)

Due Dates for CATs, TDTs, PROJECTS & MAJOR TASKS - 2010

- NOTE:** (i) Where and when possible record marks on the mark sheets supplied by SPBEA. Otherwise, teachers should design their own mark sheets.
- (ii) **ALL IA Programme Proposals should reach SPBEA no later than 31 March. Schools are required to submit only the IA Summary Forms if the full programme was approved by SPBEA in 2009. For subjects where approval was not granted in 2009, the full programme MUST be submitted.**
- (iii) **Last day for approving IA Programmes is 21 May. For subjects whose IA programmes have not been approved after this date, the IA component will be excluded from the final result.**
- (iv) **Completion dates and Due dates shown below are the last dates for the task to be completed or marks to be submitted. Teachers can complete tasks or submit marks before those dates. To avoid overloading towards the due dates, teachers are advised to spread out their tasks evenly throughout the months.**

CHEMISTRY
